**Notice:** The signature below authorizes Integrity Sport Services to recondition and recertify the shipped facemasks. The customer acknowledges that Integrity Sport Services reserves the right to reject any facemasks that are recieved damaged (bends, weld breaks, etc.) to meet NOCSAE standards. The reconditioning process typically takes 5 - 7 business days to complete, not including the time it takes for shipping. Payment must be recieved in full before the shipment of the reconditioned facemasks, unless prior arrangements have been made.
